NEWS RELEASE

FOR IMMEDIATE RELEASE

Thomson Reuters Selected as SIIA CODiE Awards Finalist

New York, N.Y., March 9, 2009 – The Tax & Accounting business of Thomson Reuters is pleased to announce that three of its products have been selected as finalists for the Software & Information Industry Association's Annual CODiE Awards. The CODiE Awards represent a prestigious peer recognition program for the software and information industry.

"We are honored to have three of our market-leading solutions selected as finalists for the 2009 CODiE Awards," said Mark Schlageter, president of the Research & Guidance business within Tax & Accounting. "This selection recognizes our expertise and reputation as a leading provider of superior research, intelligent information, and innovative software functionality for tax and accounting professionals."

The three finalists from the Tax & Accounting business of Thomson Reuters are:

- **WG&L's Accounting & Compliance Alert** for *Best Online Government Information Service*. This alert is a daily news service reporting on critical accounting and auditing issues affecting public companies. It features articles with expert guidance on new standards, rules, and regulations as well as opinion pieces by key corporate executives, auditors, and counsel.
- **WG&L's SEC Filings Navigator: Periodic Forms** for *Best Online Government Information Service*. This time-saving workflow tool guides the user through each item within the commonly used forms issued by the SEC. It also provides summary guidance as well as extensive search templates to quickly identify and understand the critical disclosures required for each item.
- **PPC's SMART e-Practice Aids™** for *Best Solution Integrating Content into Workflow*. These electronic aids are in Microsoft® Word and Excel formats and are compatible with PPC's Practice Aids audit titles. They are integrated with Engagement CS™ of the CS

Professional Suite® as well as guidance on Checkpoint® -- both from the Tax & Accounting business of Thomson Reuters.

According to SIIA President Ken Wasch, "The competition was particularly steep this year during the 24th Annual SIIA CODiE Awards, making selection as a CODiE Finalist a real achievement." Wasch further added that "All the companies on this year's list of CODiE Finalists should feel justifiably proud of their accomplishment in making it to this stage, and have much excitement to look forward to regarding the upcoming CODiE Awards voting!"

The SIIA CODiE Finalist Showcase, featuring Software and Content Award Finalists, will be held on May 4 at the Palace Hotel in San Francisco in conjunction with their SIIA conferences. Award winners will be announced the following night during the CODiE Awards Reception & Gala.
