

# ACADEMIC ADVANTAGE PROGRAM

THE TAX AND ACCOUNTING RESEARCH TOOL THEY WILL USE AFTER GRADUATION IS ALSO AVAILABLE TO THEM NOW.

## Give your students access to the most up-to-date tax and accounting information, online

The **Academic Advantage Program** offers academic institutions, including universities, community colleges and trade schools, the opportunity to receive some of the most widely used and respected tax and accounting products online via Thomson Reuters Checkpoint®. Checkpoint is the award-winning integrated online tax and accounting service delivering the most complete and authoritative information available.

The following Academic Advantage packages offer a selection of libraries of RIA®, PPC®, EBIA® and WG&L® accounting products specializing in both **Financial Management** and **Taxation** at a special price for educational programs. At an average saving of 80% on each package, Checkpoint can serve as an integral educational tool and resource to support your teaching efforts and your students as they transition to their professional careers.

### PPC'S GUIDE TO PREPARING FINANCIAL STATEMENTS

A financial statement preparers' manual tailored especially for the local CPA and other preparers of financial statements for nonpublic companies. The *Guide* takes you from the trial balance to the completed financial statements (including notes) in statement-by-statement, account-by-account sequence, regardless of whether the statements are audited, reviewed, compiled, or prepared by accountants in industry. The *Guide* provides the resources you need to efficiently and effectively prepare financial statements and disclosures in accordance with generally accepted accounting principles or an other comprehensive basis of accounting.

ONE CLICK AWAY TO ALL YOU NEED.

The screenshot displays the Thomson Reuters Checkpoint web application. The top navigation bar includes 'HOME', 'SEARCH', 'TABLE OF CONTENTS', 'NEWS', 'TOOLS', and 'LEARNING'. A search bar on the left shows 'WG&L Treatises' selected. The main content area displays search results for 'RIA §162 Trade or business expenses' under the 'Internal Revenue Code (RIA)'. A list of filter links is visible on the left, including 'Bittker & Eustice: Federal Income Taxation of Corporations & Shareholders (WG&L)'. The search results show a list of links for various tax topics, with the first result being '§ 162 Trade or business expenses.' The text of the result is partially visible, starting with 'There shall be allowed as a deduction all the ordinary and necessary expenses paid or incurred during the taxable year in carrying on any trade or business, including—'.

Contact Bob for more information on other PPC products.
